

RE-ROOTING

To Mahsa Amini and to Mercedeh Shahinkar,
to Fadila Maaroufi, Yasmine Mohammed, Nuriyah Khan,
to the 230 million Muslim Women who are victims of female genital
mutilation (clitoral excision) and to the millions more who may become victims.

It is often said that Art is a reflection of the society in which it manifests itself. I agree. I would even say that, in the case of **Music**, this reflection is more evident than in any other Art form, which, in my view, clearly confirms that:

**Everything Vibrates, Everything Moves,
Everything Evolves, Everything Ascends**

THREE VISIONARIES

A **VISIONARY** is a person who senses or foresees in advance an event, a situation, a social movement, an artistic trend, a scientific discovery, a political revolution, in short, something that will happen and spread later in the future.

In this light, two questions immediately arise. First, "**Who**" are we talking about? Second, "**What**" are we talking about?

1 «Who» — Arnold Schoenberg — «What» — UPROOTING

2 «Who» — Norman Mailer — «What» — HOMOGENIZATION - D.E.I.

3 «Who» — Donald J. Trump — «What» — RE-ROOTING

**WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!**

In 1923, the composer Arnold Schoenberg (1874-1951) introduced a new compositional technique, **DODECAPHONIC** music with 12 notes — In doing so, without fully realizing it, or so I suppose, Schoenberg foreshadowed the coming of the chaotic state of our Western society as it would evolve during the 101 years that followed, more precisely until November 2024, the "5", as in "the 5 of the 11 », 45 years plus one (1) day after the taking of the 444 hostages at the American Embassy in Tehran.

Why is this musical writing technique chaotic? Because everything is **equal**. **Equality**, I must point out here, is a strictly mathematical concept that has nothing to do with Nature nor with the **invisible** reality of acoustic sound vibration. In dodecaphonic music, all notes are of **equal** importance, **equal** value, **equal** function. Goodbye reference points! From now on, since everything is **equal**, everything is permitted, and therefore, one can no longer make a mistake. WOW! **Goodbye wrong notes!** WOW! One can therefore say practically anything, claim anything, declare anything, support anything, even going so far as to support, imagine, support that a « pregnant man »..... yes - yes - yes - yes, «à la Beethoven», Allegro Con Brio in C Minor

.....a « pregnant man », it does exist existe.

As stupidity, as an insult to Human intelligence, as deception, as **identity theft**, it's hard to beat!

What's more, everything that refers to known cultural elements should **be banned** — — are we witnessing a foreshadowing of the cancerous and suicidal "woke" ideology based on "D.E.I."? I think so — — to **be banned**, as if, henceforth, we should ignore, or even reject, the glorious history of Western **POLYPHONIC** music — — which is not at all the case, far from it, of the thousand-year-old Arab musical tradition, which is based on **MONOPHONY** which refers to music that uses **only a single melodic line**, without the accompaniment of other voices — — to **be banned**, as if, all perspectives included, we should ignore, forget, deny, or even despise the remarkably rich achievements of our Western civilization, yes, yes, yes, yes, **the most advanced, the most evolved.**

In short, what is at stake in Schoenberg's "**all equal**" is nothing less than the **generalized uprooting** of Western musical tradition, and, by extension, the **generalized uprooting** of the entirety of our civilization.

Is it time to stop tolerating being made to feel guilty for having been and still being the most advanced, most evolved civilization in the field of **Music**? I believe so.

Is it time to stop tolerating being made to feel guilty for having been and still being the most advanced, most evolved civilization in the field of **Knowledge**? I believe so.

Is it time to stop tolerating being made to feel guilty for having been and still being the most advanced, most evolved civilization in the field of **Sciences**? I believe so.

Is it time to stop tolerating being made to feel guilty for having been and still being the most advanced, most evolved civilization in the field of **Technology**? I believe so.

Is it time to stop tolerating being made to feel guilty for having been and still being the most advanced, most evolved civilization in the field of **Women's rights**? Yes, absolutely!

2-A 101 years

We must fear the homogenization of the Human species.

Norman Mailer (1923 - 2007)

When Norman Mailer, writer, journalist and filmmaker, warns us against homogenization, he becomes a «**VISIONARY**» of the social, political, moral, and religious developments which, following the Second World War (1939-1945), will be set in motion first in the USA and then throughout Western Civilization

Homogenization implies the use of a "**zero freedom, zero individuality**" type mechanism or, put another way, the use of a deliberately weakening, numbing, chloroforming mode of operation, a mode leading to anonymity, insecurity and even collective **suicide**.

Did you say « suicide »?

The more you allow homogenization to invade you, the more you conform to what you are told to be, the more you obey what the homogenization fanatics want you to be, the more **your roots evaporate**.

When any foreign body, let's say a social, moral, or emotional microbe ——— let's say the microbe is called "Sharia" or « D.E.I."——— when such a

microbe manages to invade a given entity, for example, American society, even in just one of its "particles of civic life," then, in time, the microbe will victoriously spread to all of its "particles of civic life." In other words, homogenization, from the perspective of the community in question, numbs the roots, it **stifles self-confidence** and **kills the diversity of Peoples**.

In this light, it becomes clear that by making **?everything equal?** the primary objective of homogenization has strong «trans-humanist» overtones.....

— *Trans-humanism is a movement that, drawing on advances in biology and artificial intelligence, advocates transforming or transcending Humanity to create a **?post-human?** or trans-human being with capabilities **superior** to those of current beings.* —

<https://www.google.com/search?client=firefox-b-e&q>

.....the primary objective, it's about cutting off social, cultural, and other reference points to make us doubt everything. And, in this generalized doubt, the key, the essential objective from a strategic point of view (**Goodbye to reliable references**), is to make us **TOO TOLERANT** and therefore, socially speaking, **IRRESPONSIBLE**.

As an example, I'm thinking here of the incompetent UN Secretary-General who demonstrates an **excessive, irresponsible, and intolerable tolerance** when it comes to Female Genital Mutilation. Nearly four (4) million per year. And we're supposed to **TOLERATE** this until 2030! NO! WAY! Unforgivable! Unacceptable! Outrageous! Disgusting!

That said, is it time to question the **excessive tolerance** that we see almost everywhere in the West right now

towards the implementation of Sharia law in our Great Civilization?

I believe this, and I also believe that the ultimate, unacknowledged goal of contemporary homogenization has remained the same for millennia. It is to maintain, for as long as possible — ideally «forever» — the narcissistic masculine refusal to recognize, **on a level of nobly comparable Human dignity**, the indispensable and fundamental complementarity of the feminine. This is obviously not at all the case with the misogynistic Islamic ideology, typically Sharia, whose recurring theme can be summarized as follows:

WOMEN ARE INFERIOR TO MEN IN RELIGION!

<https://fondationdjigui.org/lislam-ne-va-pas-autoriser-une-pratique-qui-peut-causer-du-tort-a-un-etre-humain/>

**WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!**

By stifling everything through an excess of anonymity, homogenization ensures the destruction of individuality, personalization, biological identity, ancestral roots, inherited traditions, family values, and self-confidence. In short, with their "everything is equal," the proponents of globalist homogenization seek to dismantle as much as possible the PRINCIPLE OF UNITY, so dear to Western tradition.

Remember that you not only have the right
to be unique, but also the obligation.

Eleanor Roosevelt (1884 - 1962)

2-B « D.E.I. »

I am of the opinion that the very first objective of the infamous "D.E.I." ideology — — especially since 2011 with the signing by the Islamist Barack Hussein Obama of Executive Order #13583 — — the first objective is to destroy Western Civilization, American in particular.

D.E.I. and Sharia, the embodiment of limitless hatred, not to mention ideological, doctrinal, endemic, even systemic hatred of **?everything?** that defines **the most evolved**, most envied Civilization, a Civilization thirsting for personalized telecommunications and thirsting without appeal for "**freedom of speech**", a Civilization in which the expression « **WOMEN'S RIGHTS** » means something.

I am speaking here, as you will have understood, of our Western Civilization

WONDERFULLY IMPERFECT

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!

ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!

But, you might ask, why praise imperfection? The answer is simple! Take note!

IMPERFECTION IS REALITY IN EVERYDAY LIFE!

**?PERFECTION? IS A CHIMERA,
A DISCONNECTION FROM REALITY,
AN OUTDATED NARCISSISTIC MALE IDEOLOGY.**

?PERFECTION? is nothing but a supposition, a regrettable misunderstanding, a pretentious and misleading hypothesis originating from mathematics, even geometry, and also from **male** Islamic ideology.

In fact, the only place, the only one that can be "theoretically only" inhabited by the so-called ?PERFECTION? is that of numbers:

?1 + 1 = 2?

2-C FIXED STARS

For there to be ?PERFECTION?, it would be necessary for everything to be **measurable**, for everything to stop, to become immobilized, as in "ISLAM WILL NEVER CHANGE", necessary for everything to be dead, frozen, for everything to be **FIXED**, as in "The Sphere of Fixed Stars" of the post-Pythagorean tradition.

So what's the point of your **WONDERFULLY IMPERFECT?**

IMPERFECTION IS THE GLORIOUS REALITY OF **LIFE!**

And **LIFE** is lived in the present, not by obsessively gazing into the mirror of the past, whether it's 2,000, 3,000, or 4,000 years old. NO! In other words, when it comes to staying connected to reality, to the earthly, simple, raw, every day **LIFE**, the earthly truth at the antipodes of the fictional world of "FIXED STARS," the earthly truth at the antipodes of "Sharia," the earthly truth at the antipodes of "ISLAM WILL NEVER CHANGE », this universal and fundamental earthly truth is:

EVERYTHING VIBRATES - EVERYTHING MOVES
EVERYTHING ÉVOLVES - EVERYTHING ASCENDS

NOTHING IS FIXED
NOTHING IS STEADY
NOTHING IS IMMOBILIZED
NOTHING IS TRULY ?PERFECT?

*«Everything in the universe **vibrates**, oscillating at various frequencies, meaning nothing is truly static. At a fundamental level, all matter consists of particles—atoms, electrons, and subatomic strings—constantly in motion, with their vibrational state determining their properties».*

<https://www.google.com/search?client=firefox-b-e&q>

2-D ?PERFECTION?

What if we went from "NOTHING IS PERFECT" to the impossible "EVERYTHING IS PERFECT"?

In this regard, let us listen to what the Iranian Imam Mohammad Tawhidi, who has taken it upon himself to proclaim himself "Imam of Peace," has to

say about **?PERFECTION?** According to some (Patrick Bet-David), his status as Imam is... debatable.

<https://www.youtube.com/watch?v=FQpqDLhGrrQ>

L'ISLAM NE CHANGERA JAMAIS

Mohammad Tawhidi:

*I am talking about reforming Islam, but in reality, I know very well that **there will never be a reform** of that kind... but we will have to pave the way for a possible reform **in a few centuries**.*

*The idea of reforming something that was once presented as **PERFECT** makes no sense. **It is « « « « already PERFECT » » » ».***

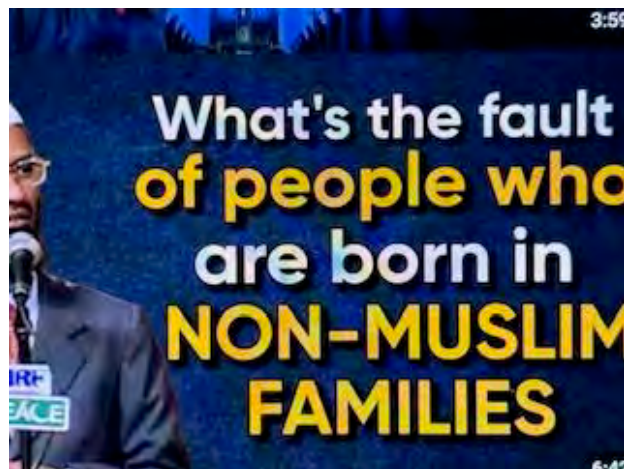

*So it's not as if Islam was introduced in Mecca as another option, a theory, or a new way of life. **It was presented as the PERFECT and ONLY way of life for ALL HUMAN beings.***

*And when you adopt such an approach, it's very difficult to turn around and say, « **Let's reform what is « « « « already PERFECT » » » ».***

*What the Wahhabis sell was an even bigger lie and said, « Hey, let's live as the Prophet Muhammad lived, because that is the **PERFECT image of Man** ».*

2-E ECHO - ECHO

Zakir Naik

According to Google: "Places prone to echo are characterized by large volumes and hard surfaces (concrete, stone, glass, **marble**) that reflect sound waves. Churches, **cathedrals**, caves, tunnels, gymnasiums, train stations, or large empty rooms...."

Suppose you are in a huge, **marble cathedral**, let's say the "**Cattedrale di Milano**". Suppose then that it is completely empty but yet, at the same time, full to the maximum since you are with the person you love, « à la folie » of course.

**LOVE AND TRUST ARE INSEPARABLE;
INSEPARABLE ALSO ARE LOVE AND EXUBERANCE.**

Suppose, again, that you feel like shouting very loudly «**I LOVE YOU** ».

What will the **cathedral** tell you?

I LONE YOU I LOVE YOU I LOVE YOU I LOVE YOU I LOVE YOU

Now move on to your **inner cathedral**.

Yes, yes, yes, yes, all of us, without a doubt, we possess within us, it is immanent, it is universal, and it is joyfully indefinable, yet it is very real: we possess — — the choice of words is vast — — we possess, let's say, a soul, an "inner self," a "little voice," a "doing with heart," an instinct for ascension, for harmony, an instinct for "hands outstretched upwards" (as in ancient caves), a thirst for "meaning," a feeling of infinity and oneness all at once. And we also possess, **LONG LIVE MUSIC**, a great **intelligence of the invisible**.

Now suppose that, love being, love helping, suppose that the following eleven words come to mind:

Do not think that moving towards a better world is impossible!

So, consequently, suppose that you finally get the irresistible urge to hear the answer the **cathedral** will give you when you shout "**BETTER**" at it.

Of course, it's predictable, so predictable that I don't need to write it here. But I gather that you'll still enjoy hearing it, like a kind of **ELEVATING MUSIC**, perhaps even to the point of shouting it again: **BETTER**

LOVE and MUSIC are the two WINGS of the SOUL!

Hector Berlioz (1803 -1869)

Let us now move from a **cathedral** to a **mosque** and suppose that the famous Indian Imam Zakir Naik, somewhere in Indonesia, shouts fortissimo **?PERFECTION?**

It's surprising, certainly, but the expected response hasn't materialized. In fact, it's not really a surprise. Why? Because, deep down, the illustrious preacher is consumed by **hatred**, a visceral **hatred of everything that isn't Muslim**, a **hatred** that constantly reminds him, throughout his life, to endlessly repeat what he was taught from a very young age, namely:

WE MUST DESTROY EVERYTHING THAT IS DEFECTIVE.
THEREFORE
WE MUST DESTROY EVERYTHING THAT IS NOT MUSLIM.

So here's how Zakir's narcissistic Islamist outburst will sound, a passing assumption of course, when he shouts **?PERFECTION?**:

DEFECTIVE DEEFECTIVE DEFECTIVE DEFECTIVE DEFECTIVE

2-F FULL STOP

Everything that is not Muslim is defective
It won't fly and it never will! **FULL STOP!**

Everything that is not Muslim must be destroyed
in order to build the Caliphate.
It won't fly and it never will! **FULL STOP!**

Four million little girls a year have their clitorises cut off.
It won't fly and it never will! **FULL STOP!**

Thousands of women disfigured because they refuse Sharia law.

It won't fly and it never will! **FULL STOP!**

Millions of girls are being forced into marriage from the age of 6.

It won't fly and it never will! **FULL STOP!**

Mahsa Amini was tortured, raped and killed for refusing to wear the veil.

It won't fly and it never will! **FULL STOP!**

In religion, Women are considered inferior to men.

It won't fly and it never will! **FULL STOP!**

35,000 protesters against the Khamenei regime were massacred in two days. (February 8 and 9)

It won't fly and it never will! **FULL STOP!**

If you leave Islam, you are liable to death.

It won't fly and it never will! **FULL STOP!**

Christianity in England is finished.

It won't fly and it never will! **FULL STOP!**

In Afghanistan, Women are forbidden from looking at a lake.

It won't fly and it

never will! **FULL STOP!**

2-G SUPHU

THE ?PERFECT? IMAGE OF MANHOOD!

Muhammad Tawhidi

FACED WITH such a ?prodigious? constellation of Muslims who, by doctrinal definition, would be ?PERFECT?, that is to say, necessarily and implicitly **SUPERiorly HUMAN (SUPHU)** since **NON-DEFECTIVE**,

Furthermore, in light of the WONDERFULLY IMPERFECT « IDEOLOGY OF LIFE" of Western Civilization, namely:

EVERYTHING VIBRATES - EVERYTHING MOVES
EVERYTHING EVOLVES - EVERYTHING ASCENDS

facing also still "THE IDEOLOGY OF DEATH", that of the "martyrs" according to Sharia Law, then,

faced with so many contrasts of all kinds, for the sake of clarity, I asked OIIO, my browser, to specify the demographic size of the **SUPHU** constellation.

«The world's Muslim population is approximately 2 billion, making it the second largest religion in the world after Christianity. The countries with the largest Muslim populations are Indonesia, India, Pakistan, Bangladesh, Iran, and Turkey, which together account for more than half of the world's Muslim population. Muslims constituted approximately 25.6% of the world's population in 2020 »

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!

ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!

2-H TOLERANCE

Faced with "the perfect image of man", I ask a question: **Westerners, what to do?**

First, stop showing irresponsible, exaggerated, excessive, disproportionate and "guilt-relieving" tolerance. Why? Because any unbridled tolerance always ends up going against the cause one is defending.

And in the case that concerns us, that concerns me, the said cause is called, and this is not insignificant and it is not negotiable:

WOMEN'S RIGHTS

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!

ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!

2-J INTOLERANCE VS RACISM

There will always be those who abuse your tolerance, who exploit it. There are even some, despicable **SUPHU** types, who make a specialty of it, even a career. As an example, I'm thinking of the sadly overexposed Ilhan Omar, the one who spews venom on Western values every time she opens her mouth. I've even given her a nickname:

THE VOMITER

That said, demanding respect for one's values and roots has nothing to do with racism.

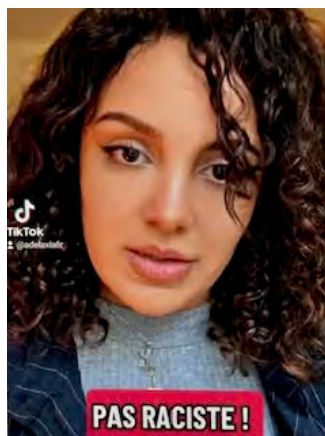

On the other hand, to declare that everything that is not Muslim is defective, **that is racism**, at all levels, in all perspectives of Human activity.

These days, the word "racist" has become a provocative catch-all. As soon as you contradict a proponent of the truth, the absolute truth of course, the only truth of course, therefore, needless to say, the truth of Sharia, then boom, that's it, it's official, it's doctrinal, you're a RACIST!

Yes, my dear unveiled Western woman! Yes, my dear unveiled Chinese woman! Yes, my dear unveiled Indian woman! Yes, my dear Mahsa Amini, "unveiled" and therefore **apostatized, tortured, raped and killed**.

Speaking of racism, I recently found a perfectly timed documentary on YouTube Short, by Adelaxia, who speaks so eloquently and truthfully. Let's listen to her!

<https://www.youtube.com/shorts/0kYjT2qYMP4>

Freedom is only valid when it conforms to Islam. Therefore, this is no longer democracy. This is Sharia law applied with complete impunity. This is what happens when you tolerate the intolerable.

2-K DEFECTIVE

For defective males like myself, it's even worse. If you have the misfortune to say anything at all, even a passing allusion questioning the wisdom of tolerating, or even accepting, Sharia law in the West, then watch out!

The knives will fly low, or rather high, up to the neck, up to the throat, from behind as well as from the front, in order to stifle any discourse incompatible with the establishment of the glorious global Caliphate. Anyway, just ask the narcissistic SUPHU of Dearborn:

IT IS NOT PERMITTED TO CRITICIZE ISLAM.

Moreover, according to territorial intelligence, the Muslim Brotherhood wants to make France Sharia-compatible.

<https://www.youtube.com/watch?v=Mcv18t-fv0U>

And it doesn't stop there. Not at all! Isn't there, still based on Sharia law, a grandiose Global Caliphate to be built, especially since things are already

progressing very well in Europe? In fact, there's even talk of declaring nothing less than all of England Islamic, especially since its King continues to snooze soundly when it comes to enforcing authentically British values. Just ask Archbishop Ceirion Dewar.

WE MUST IMPLEMENT SHARIA LAW IN ENGLAND.

<https://www.youtube.com/watch?v=Go6SZ0WxjDU&t=170s>

2-L HATRED WHY?

«A man armed with a kitchen knife attacked a group of very young children in a public park in the small town of Aschaffenburg, Bavaria. Two people were killed: a two-year-old child and a 42-year-old passerby who intervened to protect them. The attacker is an Afghan national living in an asylum seeker center in Bavaria »

<https://www.youtube.com/watch?v=9Vz5mVyE31U>

BUT WHERE DOES THIS
ENDEMIC « **ZAKIRIAN** » HATRED OF
EVERYTHING THAT IS NOT MUSLIM COME FROM?

The question arises. I ask it. Why do I ask it? Because **the essential goal of my project** is to put an end as soon as possible to these intolerable, barbaric and criminal practices of **FGM**, **Female Genital Mutilation**, approximately four million per year, and **FM6**, **Forced Marriages** from the age of **6**, almost ten million per year.

HOW?

First: **ONLY « free » Women from everywhere can save Humanity.**

Secondly - Through a possible UN Resolution obliging any Member State, under penalty of expulsion, to put an end to it, not only officially but concretely, effectively and irreversibly, all verifiable within 22 days of its adoption in the General Assembly.

Recently, while researching the geographical distribution of the two misogynistic traditions in question here, I found a document on YouTube whose content confirmed the existence of the endemic hatred I have just denounced.

More specifically, it deals with the teachings of these so-called "fundamentalists" who constantly seek to instill in their still very young boys, the future SUPHU students, a belligerent, aggressive behavior based on **hatred of the other**, that is to say, on **hatred of everything that is not Muslim**. And here is Zakir, going around the room again.

Teaching hatred of everything that is not Muslim, is that not very often, too often, the message delivered in mosques by Imams, Muftis, Mullahs, Caliphs and others?

<https://www.youtube.com/watch?v=v0U6RArMHI4>

Before getting to the YouTube video I chose, here is what Wikipedia says about its author, Ms. **Fadila Maaroufi**, an exemplarily courageous Moroccan Woman.

*« Fadila is an anthropologist and **secular** activist. She is Belgian and of Moroccan origin. In 2020, she co-founded "The Observatory of Fundamentalisms" in Brussels, whose primary mission is to raise awareness, pool, disseminate, and share theoretical, practical, and critical knowledge on religious fundamentalisms.»*

My "**Why?**" question, mentioned earlier, is answered by the anthropologist. Not completely, of course! It's a question that can't truly be fully answered. But what she says is nonetheless highly relevant, and yet receives very little, far too little, media attention. Judge for yourselves!

*«"I have seen this fundamentalism and through this fundamentalism, I have been able to see that it is the **hatred** that is nurtured within our families, within the community against Jews and against others, all those who are*

not Muslims."

*«I saw these women who taught them to be violent towards others, whether **Jews, unbelievers, Christians**.... they were taught that the next ones to exterminate were the **homosexuals** and the **Jews**. Their project, their ultimate goal, is the global Caliphate.»*

«Their ultimate goal is the World Caliphate».

2-M SHARIA = CALIPHATE

When Fadila speaks of war, she is not referring to the numerous sporadic and regional wars that the world has experienced since the catastrophe of the Twin Towers on September 11th. No! Considering what she has said about the teachings of the "fundamentalists," it is permissible to deduce that, in her mind, "THE" war is the one that has been ongoing for almost

1,000 years (since 1095), **a war that, for Muslims, has never stopped**, a war that must end, and this is doctrinal, with the grandiose and inevitable fulfillment of the World Caliphate based on "Sharia Law.

As things stand, and this is more blatant in the US than elsewhere, it's as if we're viewing Caliphate-type outposts as a case-by-case problem. No urgency! What a mistake! There are more serious issues to address! Dearborn, Minneapolis, Texas, New York with Mandani, and so on.

As someone who isn't American, I believe that too many Americans (mainly on the left) don't fully realize that this is **"THE"** war, **"THE"** one that's increasingly raging within American borders. It's this war combined with the cancer of "D.E.I." which constitutes **the most dangerous attack** against the entire American people, especially against the **"freedom of speech"** so dear to them — Sharia law operates on a **"zero freedom"** basis — and against everything concerning **WOMEN'S RIGHTS**. According to Islam:

WOMEN ARE INFERIOR TO MAN IN RELIGION

That said, recently, in several European countries, we have witnessed a genuine awakening of the people, a saving awakening. And in this regard, I recall what I wrote on page 5.

« « « « In other words, homogenization, from the point of view of the community concerned, numbs the roots, stifles self-confidence and **kills the diversity of Peoples** » » » »

2-N PERFECTION = PRISON

What needs to be understood here is that when it comes to dialogue, discussion, argumentation, questioning, for a Perfect Male Muslim, for a **SUPHU**, none of this exists.

And it's easy to understand. When you're PERFECT, you're by definition omniscient. You know everything. You understand everything. You have an answer for everything, everything, everything. (Beethoven optional). Therefore, for me, the existence of any kind of omniscience is something I can ONLY suppose, because the poor little "defective" person that I am is certainly not capable of understanding, of feeling what omniscience truly is,

and even less so what perfection is. Honestly! In short, perfection is a narcissistic concept that completely, totally, eludes me. Full stop!

What's more, when you're PERFECT, you don't have to answer a question that comes from within yourself and could lead to questioning Islam. NO! How awful! Just imagine! Especially since, dogmatically, it's strictly forbidden, even in Dearborn. It could even be dangerous, even punishable by death.

The **PERFECT** Muslim Male is the prisoner of his **PERFECTION**

In this light, it is therefore not surprising to find that the future of the religion which is supposed to never change is not necessarily, not inevitably the way that "The Muslim Brotherhood" would like to see.

Women leaving Islam

<https://www.youtube.com/watch?v=ojpGBz9OxPM>

THE QURAN, ISLAM AND ISLAMISM ARE THE GREATEST STUMBLING BLOCKS IN THE WAY OF WOMEN'S EMANCIPATION.

MARYAM NAMAZIE

That said, according to my browser, it should be noted that, symbolically speaking, we all currently live on a planet that has six (6) billion «**IMPERFECT** » (**non-Muslim**) Human beings, not to say "«**DEFECTIVE**»" — as suggested by the **infallible** Zakir Naik — and on the other hand, only two (2) billion "**PERFECT**" (**Muslim**) Human beings, the **SUPERIORLY HUMANS**, here after, the « **SUPHU** ».

No wonder things are going so badly in the world! The ratio these figures give us is "6 to 2". But the real ratio, the correct ratio, however fictitious it may be, is "7 to 1".

"7 to 1"?!?! But what could possibly explain this colossal transfer that takes a billion people from a state of **PERFECTION** to a state of **IMPERFECTION**? That's no small thing!

It's far from nothing, indeed, but it's still quite simple. It's even very simple. You see, please take note, in Islam, **PERFECTION** is the **EXCLUSIVE**, yes, no joke, **EXCLUSIVE** prerogative of **males**, these **SUPERIORLY HUMAN**

BEINGS who are UNQUESTIONABLY free from any form of Zakir-style
«**FAULT** »

When the Iranian Imam says: "**the PERFECT image of Man**", it must be understood that he is not speaking of "Man" in the generic sense, no, but rather in the sense of "**male**" as opposed to "**female**".

But, you might ask, what could it be about a Woman that blocks her access to the alleged, the dogmatic, the proclaimed, the self-declared **PERFECTION** of the Muslim male?

The answer is again quite simple, which is rather surprising. The answer, of unknown origin to me but undoubtedly with strong whiffs of Sharia law, says, roughly, that the Muslim male is "**born pure**," and, by doctrinal extension of course, the pure Muslim male is born **PERFECT**, while the Muslim female is **born impure** and, by equally doctrinal extension, is born **IMPERFECT**?

YOU CAN'T GET MORE DISCONNECTED FROM REALITY THAN THAT.

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!

But still! What could this impurity be due to? In other words, by what process, certainly doctrinal, certainly tortuous and certainly misogynistic, by what process did the Male Islamist arrive at this point, how did they come to think like this?

It was a French Olympic boxer of Iranian origin who gave me an initial lead to explore. Here's what he said replying to another boxer about the use of the veil in Women's Sports:

Mahyar Monshipour

«Wake up, dear Teddy!» Wake up! The veil is not, as you are led to believe, a piece of fabric covering the hair, but a shroud capable of concealing women's bodies **FROM THE ONSET OF MENSTRUATIONS** between the ages of 10 and 13. Wearing the veil is the tip of the iceberg of a religious belief, some of which, notably those of **the Muslim Brotherhood, who have a mission to conquer the world.** If you don't want your daughter, sister, cousin, neighbor, or acquaintance to one day be **forced to wear a veil in France to be left tranquil.....(not like Mahsa Amini)**

TRANQUIL! (not like Mahsa Amini) **THAT SAYS IT ALL!** IT EXPLAINS THE **FORCED VEIL,** THE **FORCED TCHADOR,** THE **FORCED BURKA,** THE **FORCED HIJAB,** THE **FORCED NIQAB.**

TRANQUIL! "THE ONSET OF THEIR MENSTRUATIONS"

LEYLA RED

THE ONSET OF THEIR MENSTRUATION

Reading the Iranian boxer « « « « *the onset of their menstruation* » » » » made my head spin. The photo of that little girl, freshly mutilated, whose screams I could hear, instantly came back to my memory:

WHY WAS THIS DONE TO ME?

«Dear Muslim Women! Excision is intended to **purify** you, you who menstruate, you who are **unstable**, you who are **impure**. "We do this out of love, of course," since, as Zakir and so many other PERFECT MUSLIM MEN proclaim:

ISLAM ? IS ? THE RELIGION OF LOVE

2-Q RIVERS OF LIFE

The most glorious, the most reliable, the most effective and the noblest way that Life itself has chosen TO MARK THE PASSING OF TIME, to mark it in complete complicity not only with Nature, which is already tremendously meaningful, but also to mark it in complete continuity with cosmic reality as a whole, this glorious way is:

THE MENSTRUAL CYCLE.

What an extraordinarily promising message that is! But, according to the islamic tradition, the **female menstrual cycle** would be the fatal, shameful, even supposedly **?DESERVED?DESERVED?** source of the **IMPURITY** of Muslim Women.

But that's not all because indeed, a logical deduction comes to light. The **??DESERVED??DESERVED??** IMPURITY would apply to.....

FOUR BILLION WOMEN FROM EVERYWHERE!
4,000,000,000 IMPURE WOMEN!

If one day the Women of the world come together purely and simply for the good of Humanity, it will be a force the world has never known before.

Mathew Arnold (1822 - 1888)

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!

ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!

Just imagine the intolerable ugliness of this **???DESERVED??? DESERVED??? misogynistic Sharia «????vision????», as if the female menstrual cycle were some kind of doctrinal, not to say divine punishment — GUILTY OF BEING BORN WOMAN — divine punishment** immutable, untouchable, as if Life itself would have preferred Male to Female, as if being born Female were some unavoidable sub-humanization natural process». What a shame!

SHAME ON SHARIA!

There is a **good** principle that created order, light and **man**, and a **bad** principle that created chaos, darkness and **Woman**.

The Neo-Pythagorean tradition.
2,500 years old

In any case, it appears that in order **to mark the passing of time**, Life has chosen to turn to a meaningful, faithful, reliable and **fertile parallelism**, that of the celestial **cycle** of the Moon and that of the no less celestial **cycle** of Female menstruation.

What an absolutely magnificent message! With each female menstrual cycle, Life gives birth to "River of Life" whose primary and fundamental purpose is to confirm, down to our deepest, most reptilian, most animal,

most visceral, most sexual entrails, that EVERYTHING EVOLVES, that NOTHING IS FIXED and, consequently, that not only does EVERYTHING VIBRATE but also that EVERYTHING ASCENDS

THE INSTINCT OF THE HIGHEST IS UNIVERSAL

In light of these elements, we can better understand the disproportionately disorienting—FOUR BILLION WOMEN—and totally unnatural status that Sharia law reserves for the issue of menstruation. What incredible unrealistic thinking!

In any case, when one comes to believe that one can declare four billion women "impure", and, as a bonus, when one believes oneself to be SUPeriorly HUman (SUPHU), it then becomes easy to understand that the PERFECT MUSLIM MALE is flooded with an incomparable level of advanced narcissism.

Imagine! Here is the «?Great?» Zakir Naik who, with all due ?humility? of course and feeling concerned about the heavenly fate of the so-called «defective» Humans — all the **non-Muslims** of the world — here is the «?Taerg?» Zakir, from the high heights of his unquestionable greatness, posing a question he considers fundamental, even decisive, a question with obviously considerable theological, ideological, and philosophical implications, a question with an **unsurpassable degree of narcissism.....**

WHAT SHOULD BE DONE WITH HUMANS BORN INTO NON-MUSLIM FAMILIES?

**- 1 - What should be done - 2 - with humans
who were born - 3 - into families - 4 - non-Muslim?**

No, this is **not a joke!** It's Islam ideology! It's Sharia law!

IT'S SUPHU CUBED.

Here is my answer in the form of a question to the disgusting question of the utterly poor Zakir who should of course know the right answer since, as everyone knows, he always has THE good, THE BEST answer to everything. So **WHAT SHOULD BE DONE** with the fact that **all** Human beings, including Muslim Women, are born with hands that have « **five** », « **5** » fingers — The Fifth (V5) Principle of Life — and what should we make of the fact that, for millennia, let »s say 70,000 years, Human beings have

pointed their hands toward the sky to indicate that something **transcends** them?

Did you say « **SUPHU** » cubed »?

Let's listen to a «?Great?» **SUPHU** who ?knows? what he's talking about, Mohammad Nusairat, who, on May 3, 2024, at the University of Illinois at Chicago, declared:.....

HONOR THE TRUMPETS!

«AMERICA IS THE CANCER. AMERICA, THE AMERICAN GOVERNMENT, SECULARISM, DEMOCRACY, CAPITALISM, THESE CANCERS HAVE SPREAD THEIR DISEASE THROUGHOUT THE WORLD. NON-MUSLIMS ARE TIRED OF THIS CANCER. THEY ARE TIRED OF THE AMERICAN GOVERNMENT. THEY ARE TIRED OF

DEMOCRACY. THEY WANT TO SEE A NEW WAY OF LIFE, AND AS MUSLIMS, WE MUST UNDERSTAND THAT WE HAVE THIS NEW WAY OF LIFE.”

**WOMEN’S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!**

But, incredibly, **there is worse** still. Here now is the most terrible and terrifying equation imaginable, the equation most totally incompatible with Western values, the equation most contemptuous of everything concerning "WOMEN'S RIGHTS", the equation most contemptuous of everything concerning the reproductive **Mechanics** of the Human Zoological Group, the signature equation of the "past-oriented" disarray in which the Islamist elites still wallow at the beginning of this third millennium:

MENSTRUATION = DEATH

«Among **impure** things, the case of blood is symbolically interesting since, offered to the deities, it is **pure**, but flowing from the human being, it would be **impure**”.

<https://fondationdjigui.org/lislam-ne-va-pas-autoriser-une-pratique-qui-peut-causer-du-tort-a-un-etre-humain/>

« No doubt this reflects the persistence of ancient **fears, with blood representing life, its loss evoking death**, and, in the case of menstruation, the impurity attributed to this blood rests on an archaic **fear** of this **unexplained** cyclical phenomenon ».

Unexplained! Unexplained? But wait a minute! Isn't Zakir Naik supposed to know everything, to have an answer to every question?

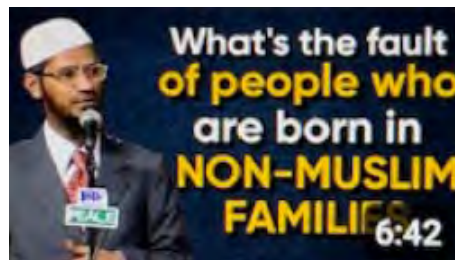

In other words, contrary to the third principle of all Life — — EVERYTHING EVOLVES — the self-proclaimed PERFECT and therefore OMNISCIENT SUPerior HUman (SUPHU), the PERFECT MUSLIM MALE does not move, does not evolve (ISLAM WILL NEVER CHANGE), does not rise, does not discuss, does not argue, does not contest (ONE CANNOT CRITICIZE ISLAM IN DEARBORN), does not seek, does not educate (GIRLS IN AFGHANISTAN), does not question, DOES NOT DISCOVER, DOES NOT INVENT, DOES NOT PROGRESS, DOES NOT STUDY, DOES NOT LEARN.

(((The Muslim world represents a quarter of the population but has produced only 1% of Nobel Prize winners))).

And speaking of learning, speaking of knowledge, of science, of education, speaking of discoveries, speaking of wisdom leadership, questions arise:

Where was the Muslim Minister of Education during the History of Audio Recording?
Where was the Muslim Minister of Education during the History of Digital Telephony?
Where was the Muslim Minister of Education during the History of Molecular Biochemistry?
Where was the Muslim Minister of Education during the History of Universal Genomics?

Where was the Muslim Minister of Education during the History of the Electric Automobile?
Where was the Muslim Minister of Education during the History of the Atomic Clock?

When Zakir Naik declares, "*What is the fault of people born into non-Muslim families?*", he isn't asking a question. No! The sentence doesn't end with a question mark. Think again! Not at all! When you know everything, you don't ask to yourself questions. You can ask others, but never yourself, because « **PERFECTION** » demands it.

In any case, what Zakir is doing is simply explaining, according to him, why we, the infidels, the unbelievers, the inferiors, why we, the weak, why we, the ignorant ones who built all the technologies they use, why we are defective, which obviously explains why it is necessary to destroy not only the Jews, all the Jews — — Ô God, make sure you leave none of them! Adil Charkaoui - 06/11/23 — — but also why it is necessary to **DESTROY EVERYTHING THAT IS NOT MUSLIM.**

Muslims live in the **past**, look at the **past**, secure themselves with the **past**, define themselves exclusively in terms of the **past**, that is to say in terms of their supposed immutable, untouchable, indisputable, unassailable “**PERFECTION**,” a “**PERFECTION**” which obviously the “bleeding” beings, the unstable, the **impure**, do not possess.

Did you say « **impure** »?

*« More fundamentally, the very fact that a woman can be considered in a state of **impureté** at some point in her life still suggests that she would then be **impure** ».*

<https://fondationdjigui.org/lislam-ne-va-pas-autoriser-une-pratique-qui-peut-causer-du-tort-a-un-etre-humain/>

*«Indeed, the fact that a menstruating woman is forbidden from certain ritual acts qualifies and disqualifies the person herself, and not just her menstrual blood. Because of these taboos and prohibitions, a **cultural asymmetry** is thus established between men and women, a situation confirmed by this well-known statement:*

« IN RELIGION, WOMEN ARE INFERIOR TO MEN»

BECAUSE SHE NEITHER PRAYS NOR FASTS DURING HER PERIOD ».

« **In what way are Women considered a subcategory of believers?** »

« It is forbidden for a man to divorce a woman during her menstrual period. Women are required to maintain impeccable hygiene and **refrain from performing prayer**. They are not obligated to make up prayers missed during their menstruation. ».

«During menstruation, prayer, fasting, and sexual relations are forbidden. During the month of Ramadan, the onset of menstruation breaks the fast, and the woman is expected to make up the missed days of fasting later ».

*Why are menstruating women considered **impure** ?*

<https://hannahpad.fr/blog/pourquoi-les-femmes-reglees-sont-elles-considerrees-impures--n37>

«The reasons for this perceived impurity vary from culture to culture. For some, menstruation represents **a danger**. Bleeding is believed to possess malevolent and **demonic powers**. The mere presence of a menstruating woman could bring curses, illness, and **death** to those who approached her. Even her gaze was considered dangerous».

But where are we? What millennium are we in?

<https://hannahpad.fr/blog/pourquoi-les-femmes-reglees-sont-elles-considerrees-impures--n37>

« Les raisons de cette **impureté** varient d'une culture à l'autre. Pour certaines, les règles représentent un danger. **Les saignements ont des pouvoirs maléfiques et démoniaques**. La seule présence d'une femme menstruée pouvait apporter la malédiction, la maladie et la mort à ceux qui s'en approchent. Son seul **regard** était considéré comme dangereux ».

Mais on est où là? Dans quel millénaire?

2-R TACET

What is more, on the Muslim Brotherhood's planet tasted with contemptuous, haughty and narcissistic Zakir sauce, Zakir, the one who goes so far as to claim, another monumental stupidity, claim that **Music and dance are unhealthy**, on that Islamic planet, there are some Women who very joyfully disagree with the famous Imam. Have a look!

And seeing these beautiful Women, I must add that I much prefer watching belly dancers perform than watching Afghan Women being publicly massacred to death with whips and sticks by « **ILLUMINATED PERFECT TALIBANS** » who hate everything referring to Femininity.

Anyway, regarding Zakir versus **dancing bellies**, at first, I thought, «**He's crazy!**». But now I say, «**He's dangerous**». Why? Because I discovered later another **PERFECTLY ILLUMINATED MUSLIM**.....

When we consider that we live in a world in which several countries, Iran first and foremost, torture and kill women thirsting for dignity and freedom simply because they refuse to wear the veil, we understand why, through a

delay in knowledge, through jealousy, through endemic misogyny, through envy, through a lack of imagination, through a lack of scientific knowledge, through doctrinal contempt and through ideological fanaticism, we understand why our Western civilization arouses so much hatred and also, what a revolting observation, so much **rape**.

With illegal immigration, we are once again adrift in the midst of the "EVERYTHING IS EQUAL" mentality. Everything must float, everyone must float, everything must become blurred, confused, and above all, everything

must be terrifying. Terrorizing "Whites" is the best method, so easy and incredibly effective when the goal is to destroy the diversity of "native" identities—in other words, when it's a matter of forcibly uprooting non-Muslim Peoples.

The terror must be daily, sustained, widespread, and lasting. In any case, with Western Women, preferably White, it's so easy since their legal system, based on "Human Rights" and not on Sharia law, applies everywhere, all the time. You admit to **raping** a White Woman and the next day you're out of prison.

Our goal is to kill white people.

It is the whole of European diversity that is under attack, savagely, brutally. ISLAM WANTS TO DOMINATE THE WORLD

https://www.youtube.com/watch?v=1NO5hlgmk_k

And it's spilling over into the USA. In Dearborn, Michigan, on August 17, 2025, 40,000 Muslims demonstrated for an Islamic holiday. The leader interviewed said:

PEOPLE ARE READY TO FIGHT AND GIVE THEIR LIVES

TO BRING DOWN AMERICA

*« But don't even talk to me
about going back to where I came from!*

2-T TO PREVENT AMERICA FROM FALLING

At this stage of my writing, there would be so much more to say about **Islamist-dominated immigration**. But in order to shorten, I am resorting here to none other than Donald J. Trump, the President of the United States of America.

3-A VISIONARY

The **Third VISIONARY**, unlike the first two, is not dead. Far from it! In fact, he is a living «**poet**», a VISIONARY **poet**. You know! Those aren't exactly common these days.

Considering, on the one hand, that the unveiling of the name of the **poet** here in question may take you a bit by surprise, **or** not at all, and, on the other hand, considering that the etymological meaning of the word **poetry** is not necessarily known by everyone, I'll start there.

« **Poetry** » comes from the Ancient Greek «**ποιεῖν / poiein**» which means «**to do**», «**to act**», «**to create**».

https://fr.wikipedia.org/wiki/Po%C3%A9sie_grecque_antique

Recently, I saw a YouTube Short in which a **Woman**, speaking about her husband, said:

« HE IS A DOER »

In my view, this means: «**he does**», «**he acts**», «**he creates**», «**he organizes**», «**he accomplishes** », etc.

The name of the Woman here in question is **MELANIA KNAUSS**

3-B RE-ROOTING

When, with a simple **four-letter word**, Donald John Trump  June 14, 1946 — announced his plan to put an end to the dangerous, suicidal, carcinogenic, and destructive "Generalized Uprooting" underway in his country, he became

THE THIRD VISIONARY.

SO, LET'S ZOOM IN ON HIS REMARKABLE AND TRULY UNPRECEDENTED ACHIEVEMENTS:

GENERALIZED **RE-ROOTING** ending Homogenization.

GENERALIZED **RE-ROOTING** ending the « D.E.I. » Cancer.

GENERALIZED **RE-ROOTING** ending the Collapse of Western Civilization.

GENERALIZED **RE-ROOTING** initiating the **American Moral Recovery**.

GENERALIZED **RE-ROOTING** triggering the overdue **Salvational Return** of the **Pendulum** of Evolution.

The ostinato I have just used, that of the word « GENERALIZED » aims to demonstrate the very real existence of what I call «**THE TRUMP EFFECT** ».

Is it not, by the day, becoming more evident that the dynamic and never seen before action of the American President goes far beyond the borders of the United States? This is particularly remarkable in several European countries which, at this moment, must face the dangerous peril of a belligerent invasion,

ACTUALLY A REAL WAR BASED ON SHARIA LAW AND MUSLIM BROTHERHOOD

I add that, in terms of « RE-ROOTING », I am of the opinion that, Humanly speaking, it is a question of **self-respect**. As a matter of fact, one has to admit that.....

3-C RESPECT

.....respect for others begins with respect for oneself.

Self-respect implies refusing your dignity to be disregarded.

Self-respect implies refusing your language to be disregarded.

Self-respect implies refusing your culture to be disregarded.

Self-respect implies refusing your values to be disregarded.

Self-respect implies refusing your traditions to be disregarded.

3-D WHAT WILL IT BE?

That said, an important question remains. It concerns precisely where the three "visionaries" might lead, the last one in particular, more contemporary and more decisive than ever? « Precisely », no one can truly know, even if many claim to. We live in an era where false prophets abound.

That said, when we speak of "**prefiguration**," we understand that, by definition, we are not talking about the short term. I emphasize this aspect because I believe it is not impossible that the general direction and impact of the "Generalized Re-rooting" created by Donald J. Trump as President of the United States of America could, with regard to Peace and the Future of Humanity as a whole, lead to:

So what will it be this time?

«Universal history shows us that after each revolution, after each war, humanity has always appeared a little more coherent, a little more united, in the more tightly woven bonds of its organism, in the strengthened expectation of its common liberation. **More differentiated, after each crisis, and yet more one.**

If we are not yet witnessing the final surge of discord today, it will be tomorrow, for the outcome is hastening: the time is near when the human mass, closing in on itself, will group all its members within a finally achieved unity, **the same legislation**, the same spirit, the same orientation tending to cover **the permanent diversity of individuals and peoples**. A little longer and we will form only a single bloc.

Moreover, imprisoned in an inextensible space, and compressed by demographic growth, humanity is forced, by its very problems, to enter the peaceful path of friendship, summoned to transform itself into a fraternal community, condemned to organize itself ».
