

WORLDWIDE WOMEN'S CHOIR

To **Mahsa Amini**,

an Iranian tortured, raped and killed for refusing to wear the Islamic veil,
to 230 million Muslim Women who have undergone clitoris excision
and to the millions more likely to suffer the same fate.

**ELEVEN (11) SECONDS EVERY SUNDAY
22 MINUTES PAST THE HOUR OF YOUR CHOICE**

WOMEN FROM EVERYWHERE, faced with the painful and dangerous state in which Humanity finds itself at this moment, if you want to **act** by doing something enriching and promising, something **within your reach and without any cost**, something likely to lead to a better world, **then**, WOMEN FROM EVERYWHERE, (1) to resolutely demand the urgent coming of Peace, (2) to demand respect for your Human Dignity and consequently (3) to demonstrate with conviction your unequivocal **rejection** of Sharia law and your **rejection** also of the carcinogenic, homogenizing (D.E.I.) and **MISOGYNIST** transgender movement, WOMEN FROM EVERYWHERE, commit to taking, 22 minutes past the hour of your choice, **ELEVEN (11) SECONDS EVERY SUNDAY** to sing, with family, in groups, or otherwise, the last line of « **THE HYMN TO THE PEACE** ».

SINGING IS THE MOST NOBLE WAY TO MANIFEST YOUR FREEDOM!

Moving towards a better world is a matter of survival.

Don't think that moving towards a better world is impossible.

Only free Women from everywhere are capable of saving humanity.

Beyond the **ELEVEN (11) SECONDS EVERY SUNDAY**, the objective is to create, on March 8, 2027, a **WORLDWIDE WOMEN'S CHOIR** singing simultaneously, in a large number of languages, the 66 little notes of the **HYMN TO PEACE**.

ALL RIGHT! But what do I do? The first thing to do is to put technology, specifically smartphones, at the service of Peace and, consequently, at the service of Women's Rights. To do this, click on "**Hymns**" to check if your language is among the 50 available. If so, then click on "**Trumpets**" and learn the Hymn, preferably by heart. But this isn't essential since the full text of the Hymn in your language will always be accessible on your smartphone **without any cost**.

If you cannot find the Hymn in your language, click on « **Adaptation** » under « **Contact** ». You will then find everything you need to offer **your Adaptation** of the Hymn to Peace to all those who speak your language. What a glorious gift!

WOMEN FROM EVERYWHERE, contribute to the creation of genuinely new heartfelt **MOMENTS**, **MOMENTS** dedicated to Peace and, inseparably, **MOMENTS** dedicated to **WOMEN'S RIGHTS**, that is to say, decisive **MOMENTS** leading to the emergence of a new kind of, let's say, Collective Emotional Complicity (CEC) based essentially on the everyday lives of « ordinary » people. Replace the traditional minute of silence with.....

A RALLYING SONG OF WOMEN FROM EVERYWHERE **FOR PEACE!**

A RALLYING SONG OF WOMEN FROM EVERYWHERE **AGAINST SHARIA LAW!**

A RALLYING SONG OF WOMEN FROM EVERYWHERE **AGAINST TRANSGENDER IDEOLOGY**

A RALLYING SONG OF WOMEN FROM EVERYWHERE **FOR A BETTER WORLD**
